# SNEHA DAS

dassneha1104@gmail.com

Currently, I am pursuing my B.Tech in CSE and I am very eager to know new things and explore it at the same time I'm very much seeking to do an internship to implement my innovative ideas, creativity, and utilize my technical skills and also want to well known about developers professional life which will may help me to achieving the target and developing the best performance in the companies as well as implementing the new strategies to achieve the goals. My strength is my willingness to take on new challenges and strive to do with perfection.
